**MEMORANDUM FOR:** Chief, RQM/OLS  
**ATTENTION:**

**THROUGH:** Acting Chief, Geographic Research, RR

**SUBJECT:** Release of GP/I 198 to Friendly Liaison  
Services

The proposed release of GP/I 198 to appropriate liaison services could form a basis for an improvement of collection techniques of the recipient services and a resultant gain in intelligence data available to this agency. This office therefore raises no objections to the release of GP/I 198 as proposed.
